PEERLESS-PREMIER MODEL NUMBER IDENTIFICATION CODES

PREMIER K SERIES

1st Character - Ignition

S - Electronic Spark

B - Battery Spark

T - Thermocouple Spark (match light capable)

2nd Character - Size

A - 20" Apartment Size

C - 24" Compact Size

D - 30" Electric 2-8" and 2-6" elements

F - 30" Full Size 1-8" and 3-6" elements

L - 36" Large (4 and 5 Burners)

M - 30" Sealed Burner

J - 24" Sealed Burner

3rd Character - Oven Finish

K - Standard Porcelain Ground Coat

4th Character - Oven Door

1 - Solid oven door/ No oven light

L - Solid oven door/ Interior oven light

C - Black solid oven door/ No oven light

2 - Windowed oven door/ Interior oven light

3 - Black glass windowed door/ Interior oven light

5 - Windowed door/ No oven light

6 - Stainless steel solid door/ Interior oven light

8 - Black glass windowed door/ Interior oven light

5th Character - Backguard

0 - 4" porcelain

2 - 8" porcelain w/electronic clock
9 - 8" porcelain
4 - 10" tempered glass w/electronic clock-timer

S - 10" decorative tempered glass

X - 1 1/2" vent rail cap

6th Character - Options

0 - No options

1 - (1) Single Oven Rack only

9 - Griddle & 5th burner package, 4 chrome heat reflector trays

A - Individual surface/oven indicator lights, snap on panel, 1 oven rack

H - Individual surface/oven indicator lights, storage drawer, 2 oven racks

R - 4 chrome heat reflector trays

M - Snap on panel, 1 oven rack, broiler rack

7th Character - Color

O - White on White

W - White w/black trim

T - Biscuit w/black trim

B - Black on Black

8th Character -Brand

P - Premier

PREMIER PRO•SERIES

1st Character - Range Line

P - Pro

Series

2nd & 3rd Character - Size of Range

20 - 20" (Available in April 2013)

24 - 24"

30 - 30"

36 - 36"

4th Character - Ignition Type

S - Spark Ignition

T - Thermocouple Ignition (match-light capable)

5th Character – Burner Type

1 - Open Burner

3 - Sealed Burner

6th Character - Backguard Type

1 - 1 1/2" vent rail

2 - 10" high stainless steel - no clock

3 - 20 1/2" high stainless steel w/shelf

4 - 10" tempered glass w/electronic clock-timer

5 - 8" porcelain backguard with clock

7th Character - Options

0 - No options

8 - Heavy duty griddle

8th Character - Color

B - Black top and sides/Stainless steel doors (front)

2 - Windowed Oven Door

9th Character - Brand

P - Premier

PEERLESS-PREMIER RANGE FEATURES

OPTIONS MAY NOT BE 'MIXED AND MATCHED' AND ARE CONFINED TO ONE OF THE MANY MODELS OFFERED.

The 24", 30", and 36" stainless models are available with different backguards; see brochure for further detailed information. Stainless models have black porcelain sides and range-tops.

Electric spark ignition ("T" and "B" models) allows **all burners and oven** to be lit with a match in the event of a power failure. There is no 'glow bar' or heating element in any of these ranges.

Quality features and benefits on all gas ranges: All cook tops offer a porcelain finish top, which lasts longer and is easier to clean. The recessed design helps keep spills in place; the top burners offer a lifetime guarantee. The cook tops (with standard burners) lift off for ease of cleaning, are easy to remove, and are dishwasher safe.

The oven is full size and offers extra capacity; it's completely insulated for energy savings and better baking. The lift-off oven door (except in 20" units) allows easy access for cleaning. The oven racks are nickel coated for durability; the oven door seals retain heat in the oven, and the removable oven bottom provides a recessed area to retain spills. The broiler offers a roll-out drop door for easy access, with a positive closed position, and the large pan and tray have an all-porcelain finish.

OPTIONS: Chrome heat reflector trays can be ordered separately when not included with the model number; oven and door are finished in regular porcelain.

Sealed burners...spills are retained on the cook top for easy clean up. All burners with simmer capacity allow for complete control with infinite settings. Universal valves on all models allow for easy conversion from natural gas to liquid propane gas without additional parts or special tools.

Porcelain enamel parts enhance the value and life of your range, are easiest to clean, and resist scratches and stains. The lift-off cook top allows access to the porcelain burner box and the individual removable top burners for easy cleaning.

Other standard features include lifetime guaranteed top burner elements, recessed porcelain lift-up cooktop with support rod, up-front controls, blade type burner knobs, permanent markings on control panel inlay, surface indicator light, oven indicator light on 30" units, oven limit switch, keep-warm 150°F oven thermostat, closed-door variable broil, color coordinated door handles, silicone oven door seals, full insulation (blanket type), porcelain smokeless broiler pan & tray, storage drawer on 36" stainless models, four leg levelers, and heavy-duty rigid construction.

Pricing is as listed with the following options: for chrome reflector pans, add \$25 for an open burner set (part # CBB) of 4. White and stainless units are generally in stock, but there may be a 2 to 4 week lead time. Biscuit and black units will have the longest lead times. Call for your freight costs and availability on these nice ranges!
